★★★★★ BHASKAR BHATTACHARYA · 4 YEARS AGO — CURRENTLY UNUSED

"I have been buying raw meat and chicken from this place since late 80's. Much later they started selling sheekh kebabs and shammi kebabs. It used to be top class then and even today. If you want to bring home the half cooked sheekh kebabs and fry them at home, you will enjoy even more. Quality of other products like raw meat, chicken is also fantastic."
